

Scrum #4 stand up questions

What have you done?

- Lazlo - Fixed broken cucumber test
- Veda - fixed our cucumber sql server
- Kayla - nothing
- Cindy - nothing
- Alex - Nothing

What are you going to do?

- Lazlo - Improving search history, tests for pagination
- Veda - Actually get to my refactoring changes
- Kayla - rainbow-fy the rest of the pages and fix the colors of the tables
- Cindy - Ask professor about HTTPS, fix back to results button in details page,
- Alex - Next and previous buttons for pagination

What are you blocked on?

- Lazlo - Nothing
- Veda - Nothing
- Kayla - still need to fix my sql login stuff
- Cindy - HTTPS is not working still
- Alex - Results not returning more than 20, can't work on pagination centering
